

The background of the cover is a detailed illustration of Bird of Paradise plants (Strelitzia reginae). The plants feature long, dark green, lanceolate leaves with prominent veins. Several bright orange and blue flowers are in various stages of bloom, with some showing the characteristic blue and orange colors. The plants are set against a light brown, wood-grain textured background. The entire illustration is framed by a white border, which is itself set against a larger, light green background with a faint, repeating pattern of the same plant leaves.
